

# Purple Pirate Entertainment

## [ Stage Plot & Tech Rider ]

### For Message in a Bottle Presentations

The performance was created to be on the gymnasium floor.

Message in a bottle is a theatrical production with professional stage lighting and sound. All equipment will be brought by Purple Pirate Entertainment.

#### Technical Requirements:

- Outside gym access for loading and unloading of vehicle
- Empty gymnasium – 60 minutes prior to performance
- Dry mop performance area before first show
- Leave Dry mop in Gym for pre show clean
- 110 Power
- 2 Volunteers for set up and strike
- Gymnasium lights to be turned off after set up
- Dancing Bear greeting the Purple Pirate
- 6-8 foot ladder
- Primary teachers need to be notified of the seating plan.

If there are any questions about these needs please contact Dustin Anderson.

\*\*\***IMPORTANT** – There will be strobe lighting used in the show.
