Re: Reference letter for Dustin Anderson, Transformational Theatre Artist

The Quesnel and District Community Arts Council Children's Concert Committee were delighted to have Dustin perform for us on February 13, 2014. The sold-out audience loved the **Purple Pirate's Magic Show** and much laughter could be heard throughout the show as the Purple Pirate performed his magic tricks. Many of the children stayed to have their pictures taken with the Purple Pirate after the show. They also had many questions for the Purple Pirate as he had developed an excellent rapport with the audience.

We appreciated Dustin's professionalism as he was very accommodating and easy to work with. He provided excellent marketing materials for us to promote the show and that made it easy for us to get the materials out to the media, schools and day care centres.

We will definitely be inviting him to Quesnel in the very near future. We must or our primary audience will mutiny!

Sincerely yours,

Bernice Heinzelman, Director
